*Forward-looking Statements and Non-GAAP Measures

- This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from SAVVIS' expectations. Certain factors that could affect actual results are set forth as risk factors in SAVVIS' SEC reports and filings, and we encourage you to review those factors. The forward-looking statements in this document speak only as of the date of publication, July 23, 2007, and the company will not undertake efforts to revise those forward-looking statements to reflect events after this date.
- "Adjusted EBITDA" is a non-GAAP measure that SAVVIS management believes is a relevant measurement of a company's financial performance and liquidity in our industry. "Gross profit" is total revenue less cost of revenue excluding depreciation, amortization, and accretion. Please see SAVVIS' SEC filings for a full definition and reconciliation of non-GAAP measures.
